## **Abney Learning Community**

**"Every Child, Every Day, Whatever It Takes"**

Welcome Back To School Abney Families,

I hope that you have found the extended time with your family to be reflective and peaceful. That the stillness was a place that brought you back to what's important. I take great pride welcoming you back to Abney Early Childhood Center for the 2020-2021 school year! It is exciting to start a new year with you! As your Principal, I have some high expectations for this year. We will continue to:

- ❖ Connect with all students with a clear understanding of their strengths, weaknesses background and culture.
- ❖ Use data to guide instructional decisions and impact student achievement.
- ❖ Leave a positive imprint on students; fostering creativity, curiosity and a love for learning.
- ❖ Empower students to persevere and succeed in all endeavors.
- ❖ Encourage mindfulness and ignite intelligence.

This will be our best year yet! You can expect school to be fun and safe for your child. Here are a few protective daily measures we are doing to ensure a safe start:

- Social distancing and maintaining small groups of individuals that minimally interact with other groups.
- Monitoring students and staff for symptoms of *fever, cough, and shortness of breath or sore throat*.
- Practicing frequent environmental cleaning, disinfecting and hand washing.

Sending love to all my Little Spartans! Can't wait to see you! Remember, today is your day, you're off to great places.

Best,

Dr. Feast
